INTRODUCTION

Vivtech Supplies (Pty) Ltd was established in the year 2017 in terms of The Companies Act. Since its inception the company is designing, manufacturing and supplying a wide range of high quality house and garage wooden doors to the retail market.

We distinguish ourselves in the industry. Having experienced, dedicated and qualified machinists, designers and supervisors, we are able to satisfy our clients by delivering quality doors within acceptable lead time. Above all, Vivtech Supplies values its customers with pride and professionalism.

Our factory is equipped with modern machines such as spindles, sanding machines, table saws and band saw machines capable to manufacture and supply wide range of high quality standard and custom made wooden doors.

Quality products manufactured by Vivtech Supplies comply with the standards required by buildings in different sectors such as Education, Health, Hospitality, Government institutions, Commercial, Security and Residential developments.

OUR VISION

To be the premier wooden doors manufacturer in Southern Africa by exceeding industry standards through innovation and team member excellence, ensuring the satisfaction of our stakeholders.

OUR MISSION

Our Mission, as a millwork specialist, is to continually strive for excellence by building and maintaining a team of professionally skilled and highly motivated employees who are responsible for providing quality wooden doors, professional advice and related services to our customers. Excellence means providing consistently superior doors—on quality, on quantity, on time. As we do this we serve the needs of our customers, our employees, our suppliers and our community at large.

OUR VALUES

Quality...The consumer is our boss, quality is our work, and value for money is our goal.

Responsibility...As individuals, we demand total responsibility from ourselves; as associates, we support the responsibilities of others.

Mutuality...A mutual benefit is a shared benefit; a shared benefit will endure.

Efficiency...We use resources to the fullest, waste nothing, and do only what we can do best, keeping our environment clean and habitable.

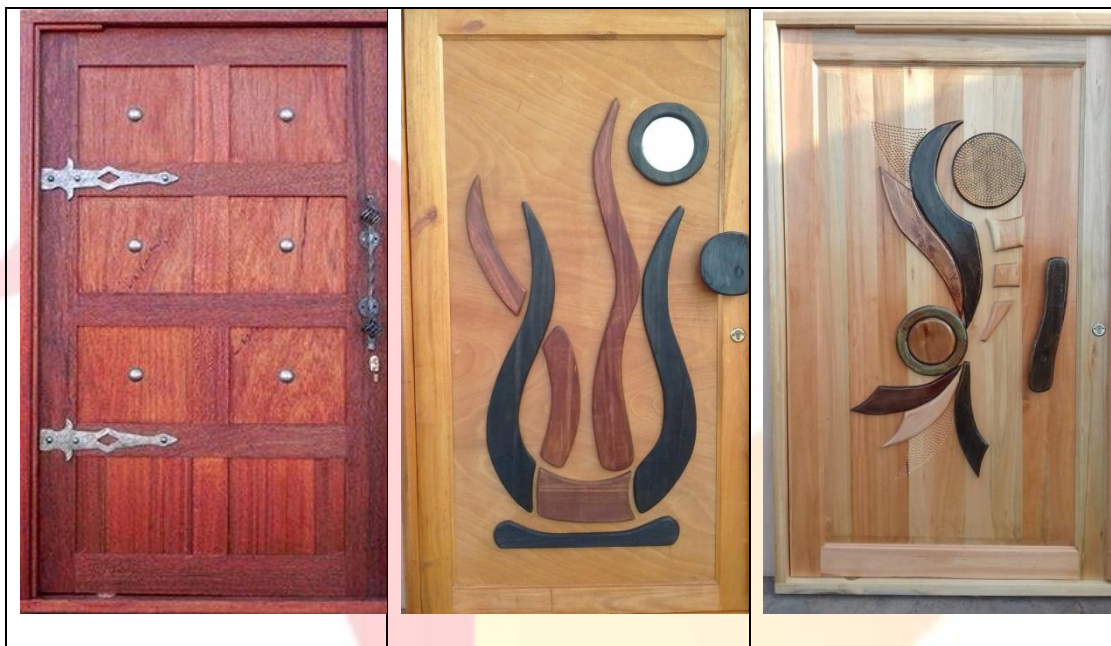

Freedom...We need freedom to shape our future; we need profit to remain free.

SUPPORT / WARRANTY

Our doors carry a warranty against both latent and patent defects. We offer full after sales back up to our customers. Should a customer is not satisfied with our door as a result a defect in manufacturing; we commit to replace the faulty door at our full cost. Backup support and advice is available to our customers on how to install and maintain their doors in good condition for a long time should it is required. Timber doors need constant attention and treatment to maintain their natural beauty. Such advice we proudly give to our customers.

CLIENTS

Our clientele base includes hardware shops, the corporate sector, schools, government departments and public at large.

ORDERS AND DELIVERIES

Orders can be placed through our sales representatives, telephonically or via emails.

Customer Orders will be converted into Sales orders and immediately confirmed by the customer concerned for product quantities, product description and correct pricing.
